Admission Application Guideline Keio CEMS Master's in International Management Programme (CEMS MIM Programme) For Enrollment in September 2017, April 2018 or September 2018

Keio University Graduate School of Media Design (KMD) offers a double-degree programme with CEMS, the Global Alliance in Management Education. Since it is a double-degree programme, you will not be able to earn the CEMS MIM degree alone without receiving a Master's degree from KMD. Please note, as shown in the flow chart below, the semesters (Term 1/Term 2) and the universities where you will study abroad will not be decided at the time you are selected as a Keio CEMS student. From the perspective of developing globally active talent, CEMS seeks students who enthusiastically exert their utmost effort wherever they are in the world.
