Application Guidebook Keio CEMS Master's in International Management Programme (CEMS MIM Programme) For Enrollment in September 2020, April 2021 or September 2021

Keio University Graduate School of Media Design (KMD) offers a double-degree programme with CEMS, the Global Alliance in Management Education. Since it is a double-degree programme, you will not be able to earn the CEMS MIM degree alone without receiving a Master's degree from KMD. Please note, as shown in the flow chart below, the semesters (Term 1/Term 2) and the universities where you will study abroad will not be decided at the time you are selected as a Keio CEMS student. From the perspective of developing globally active talent, CEMS seeks students who enthusiastically exert their utmost effort wherever they are in the world.

Study abroad from September 2021

Study abroad from September 2022

*1 You will have an opportunity to indicate your preferences in terms of study-abroad terms and universities when filling out the CEMS Common Application Form (online form). Based on your preferences, your study-abroad terms and destinations will be determined by Keio after you are admitted as a KMD CEMS student. However, there is no guarantee that you will be nominated to study abroad in your preferred terms and at your preferred universities. You are not allowed to change your school preference after the application deadline.

*2 Students are required to pay a Student Registration and Handling Fee of €100 (as of July 2020) to CEMS headquarters. As a rule, students of the CEMS MIM Programme are exempt from tuition fees at the schools they attend abroad (some institutions charge students additional fees for certain programs, such as Block Seminars). CEMS students shall bear the cost of the airfare and living expenses (e.g., rent, food, transportation, and other expenses).

*3 Term dates vary depending on each CEMS school's schedule.
